Title of the Project

Honours Project Phase I Review I

Name of the Student
Roll.No:

Guided by: **Name of Guide**

Indian Institute of Information Technology Kottayam

February 23, 2026

OUTLINE

Indian Institute of Information Technology Kottayam

- Introduction
- Motivation
- Literature Review
- Research Gaps (Optional)
- Problem Statement
- Objectives
- Methodology Outline/ Architecture/ Design
- 3-Semester Timeline
- References

Introduction

Brief intro to your Topic
Significance of the area you are working.

Motivation

Indian Institute of Information Technology Kottayam

Discuss the motivation for selecting this particular topic.

Literature Review

Indian Institute of Information Technology Kottayam

Study of the other similar approaches to the problem you are solving.
Could be Journal/Conference papers OR Patents OR any other work that fits the criteria.

Research Gaps (Optional)

Indian Institute of Information Technology Kottayam

Research Gap you have identified in the existing approach OR Novelty of your approach as compared to other approaches.

Problem Statement

Indian Institute of Information Technology Kottayam

Precise description of the problem you are trying to solve.

Objectives

Indian Institute of Information Technology Kottayam

Precise objectives of the problem you are trying to solve.

Methodology Outline/ Architecture/ Design

Indian Institute of Information Technology Kottayam

Architecture of the proposed work.
Give an overview about how you are approaching the problem [1].

3-Semester Timeline

Work plan for the proposed work (using Gantt chart, etc)
